

2025 Merit Badge College

Saturday, January 25, 2025

9:00 – 2:00

Shelton State Community College

Merit Badge College is an excellent opportunity for Scouts to earn an additional merit badge as they progress on their trail to Eagle! Several merit badge options are not always available at other events. Not all requirements may be able to be completed at MB College so leaders and Scouts need to check prerequisites carefully.

MB Counselors are experienced in the field in which they are teaching so Scouts will benefit from their expertise. Scouts should review all merit badge requirements for their chosen badge before attending and they are highly encouraged to read the merit badge pamphlet before the event.

Cost

The 2025 Merit Badge College will cost \$20 per Scout. The cost will cover program materials, lunch, and an event patch. Adults who attend and are eating lunch will be charged \$10 each. Registrations are due no later than noon on Tuesday, January 21st. Due to food ordering deadlines, there will be no guarantee for lunch after this time.
